**PETITION FOR REVIVAL OF AN APPLICATION FOR
PATENT ABANDONED UNINTENTIONALLY**

Dear Sir,

For above identified patent filing, I received an abandonment due to no response to the office action. However, I did not receive any office action, nor did the attorney inform us anything about the receipt of the office action. I get the information from PAIR and the attorney tells us that he did not receive any office action. I think that the mail is lost. Because the patent application is very important to me, we decide to revive the invention by the attached petition with a

copy of an amendment for the Restriction Requirement at 12/02/2005,
as the attached document.

A check and a form for reviving unintentionally are attached.

If any problem, please contact me as desired.

Your attention to this matter is greatly appreciated. My E-mail
